

How Many Fish Are There?

THE RIDDLE

A fish is a delicious dish
That every polar bear does wish.
To feed the bear, roll the dice -
Find the fishies under the ice.
How many fish are swimming below?

THE PLEDGE

(Place your fins on your face)

On my word as a Fisher Extraordinaire, I do promise not to reveal the secret of the fish. And if I do, fish from every ocean will feed me to the sharks. Don't want to be shark bait! Blurp, Blurp, Blurp!

Congratulations! You are now a FISHER EXTRAORDINAIRE!!!
