

Youth Staff Application

2023 Youth Energy Conference & Awards

In 2023, NEED will host the 43rd Annual NEED Youth Energy Conference and Awards! The conference and awards combine academic competition with recognition to acknowledge everyone involved in NEED during the year - and to recognize those who excel in energy education in their schools and communities.

The NEED Project emphasizes the “Kids Teaching Kids” approach to energy education. Each year, NEED calls on student leaders from across the United States to staff the Youth Awards Program. Students that serve on the Youth Awards staff arrive one day prior to the conference and depart the day after. The students on Youth Awards Staff are familiar with the NEED Project and its mission and have used the program in their classrooms. The Youth Awards Staff should have exceptional leadership skills, be knowledgeable about energy, and be willing to work hard to make the program a success.

As part of the youth conference program, Youth Staff will play an integral role leading educational sessions and assisting student groups as they tackle a STEM Challenge.

EFFECTIVE LEADERSHIP

Potential candidates are:

- Effective leaders who lead by example and are well respected by peers.
- Encouraging facilitators who serve as a team leader.
- Leaders who create excitement and motivate others to accomplish great things.
- Leaders who demonstrate energy awareness at home, school and in the community and educates others about energy.
- Students who are knowledgeable about energy and have taken time to not only be a leader of energy activities but have developed a knowledge base about energy and important energy issues.
- Students who engage the winners attending the Youth Awards Program both in activities and conversation.

Youth Staff Application ELIGIBILITY REQUIREMENTS

Candidates must:

1. Actively participate in the planning and implementation of NEED workshops, in-services, conferences or programs and be involved in NEED in the classroom or in afterschool programs.
2. Have an interest in science and energy and a willingness to work hard, learn, and work within a team of highly qualified students and adult mentors.
3. Be at least age 13 at the time the Youth Awards Program is hosted in Washington, D.C. (by June 2023)
4. Be able and willing to travel from to and from Washington D.C. unaccompanied via airplane or train. Although we encourage parent involvement with the NEED Program, the ability to function without parental supervision is a key element in the successful development of leadership skills as part of NEED. Students whom parents deem too young or immature to travel and participate alone, should delay application until such time they are able to attend, participate, and travel without supervision.
5. Represent NEED with professionalism, honesty, and commitment.

Youth Staff Application

Ability to work in a group setting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Creativity	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Attitude toward fellow students	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Attitude toward teachers/mentors	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Youth Staff Application

Personal Interests

Please limit your response for each question to 50 words or less.

4. Have you made a difference in your high school and/or community about energy? Please explain:

5. How did the knowledge gained through NEED prepare you to be an effective leader? Do you consider the energy knowledge gained to be important to your future plans?

6. The Youth Energy Conference and Awards requires a number of diverse activities and skills to have the weekend run smoothly. Some of these activities include banquet decoration, singing songs, public speaking, keeping lines of people entertained while waiting, taking photos, etc. Please list some of your interests to help the committee determine the best placement while on staff for the Conference. If you have special skills, feel free to share that information in this space as well.

7. Is there anything else you would like to let NEED know about you while reviewing your Youth Staff application?
